## MESSAGE FROM THE FOUNDER

### FOUNDATION DAY 2018

This year we celebrate the **Silver Jubilee** of the founding of Port Moresby Grammar School.

Who would have guessed all those (25) years ago, that our school would grow into such an incredible educational institution, respected throughout Papua New Guinea as THE place to send your children.

But along with the academic excellence and discipline for which our school is known, it is also known for its traditional values and the emphasis we place on Papua New Guinean culture and traditions. Thus, every year our Foundation Day celebrates the best in the nation's culture.

Enjoy our Foundation Day, and be proud of your school and country.

Donald Daniels MBE  
Founder and Chairman
