COVID-19 SCHOOL TEMPORARY SHUTDOWN FOR ONE WEEK

Dear Parents and Guardians,

We have just been informed this morning that a student in Grade 8 who has been away from school since Tuesday 9th March 2021 has tested positive for COVID-19 and is currently in isolation away from the School.

The student had been in contact with someone outside the school who had tested positive.

In the meantime, we are taking the precaution to close the school for one week during which we will have it deep cleaned by professionals.

The students have completed all their activities for this Term bar the Exam and programme of tests which was being run this week.

Please do not worry about this as we will be able to catch up later.

We will post any updates on the School's website.

School will resume Tuesday 23rd March when the testing programme will also resume.

Yours sincerely,

PORT MORESBY GRAMMAR SCHOOL
